REPORT.

TO THE KING'S MOST EXCELLENT MAJESTY.

MAY IT PLEASE YOUR GRACIOUS MAJESTY,

1. We, the Commissioners of Charitable Donations and Bequests for Ireland, humbly submit to Your Majesty this our Sixty-second Annual Report.

2. Since our last Report 29 meetings of the Board have been held. We have made 531 orders in various matters affecting charities and charity property, besides providing for the regular issue of the sums payable to the charities under our control.

3. Eight hundred and six funds for various charitable purposes have been lodged with us from time to time, since the "Charitable Donations and Bequests Act (Ireland), 1867," enabled Trustees to make such voluntary transfers.

The amounts so received since 1867 are:—

	£	s.	d.
Consolidated 2½ per Cents,	441,468	3	0
Government 2½ "	2,480	0	0
Guaranteed Land Stock,	17,108	0	11
Cash,	217,553	6	5
Miscellaneous,	176,905	4	1

A detailed list of the sums so received for each of the past four years will be found in the third schedule. In the last year these amounted to:—

	£	s.	d.
Consolidated 2½ per Cents,	2,588	7	4
Cash,	24,800	8	5
Miscellaneous,	6,047	18	1

4. The aggregate amounts held by us on the 1st of January, 1907, were as follows:—

	£	s.	d.
Consolidated 2½ per Cents,	606,471	12	10
Government 2½ "	2,480	0	0
National War Loan (£2½ per Cent.),	6,501	12	2
India 3½ per Cents,	65,784	7	2
India 3 "	40,612	11	0
Guaranteed Land Stock,	45,884	15	0
Guaranteed £2½ per Cent. Stock (Irish Land Act, 1903),	7,582	17	11
Cash,	7,769	0	8
Miscellaneous Securities,	148,048	0	5

In addition, we receive rents and annuities of the yearly value of £2,369 10s. 4d., and the annual interest on certain Charity Funds amounting to £12,973 1s. 10d., not vested in us.

5. Among the funds for charitable purposes placed under our custody during the past year was a sum of £8,128 18s. 6d. cash, upon the trusts of the Scheme framed by the Court of Chancery in William Burke's Charity for charities in the Archdiocese of Tuam.

We received the sum of £1,030 18s. 7d. Government Consols, the income of which is to be distributed at Christmas in each year among the poor of the town of Larne.

There was transferred to us a sum £2,869 11s. cash, the income of which is to be applied for the support and maintenance of the religious Community at Rusheen, County Galway, and of their Schools, and for the education and industrial training of the native poor of the district.

6. In Marcus Walter Hughes' Charity the testator bequeathed to his executors the residue of his property, estimated at between £7,000 and £8,000, for the purpose of establishing and maintaining a Roman Catholic Girls' Orphanage in the City or County of Dublin, for the technical training of Roman Catholic Orphan Girls, "to fit them for the positions of domestic servants or any higher grade of industry for earning a livelihood in the world."

The executors being of opinion that the amount of the residue was not sufficient for the purpose of establishing such an institution, applied to the Chancery Division of the High Court of Justice for the settlement of a scheme for the administration of the funds of the charity, and the Court has directed that the corpus of the fund, when invested in suitable securities, should be transferred to the Commissioners, the income thereof to be paid to the Superiress of the Institution of the Sisters of Charity for Training Domestics, Upper Temple-street, Dublin, until further order, subject to such rules, regulations, and conditions as the Commissioners should from time to time appoint.

7. We have sanctioned several applications during the past year for sales under the Irish Land Act, 1903, of their holdings to tenants on charity property.

Among others we sanctioned the sale of the property of the Governors of the Erasmus Smith's Schools, in the County Limerick, the gross purchase-money of which is estimated to amount to £70,550; and also of a portion of their property in County Tipperary, the gross purchase-money of which, it is estimated, will amount to £17,550.

An application was made to us in Henry M. Daly's Charity to sanction the sale of certain lands in the County Cork, devised by the testator "in trust for the establishment and maintenance of a Catholic Convent at Drumeallogher," County Limerick. We declined to consider the application until it had been legally determined that the object of the trust was a charity. It has been decided by the Judicial Commissioner of the Land Commission that the devise is one for a charitable purpose, and that the trustee can sell the lands with our consent.

8. During the past year we have framed amending Schemes under the Educational Endowments (Ireland) Act, 1885, for the following Endowments:—Guy's Free School, Ballymena; St. Nicholas (Without) and St. Luke's Parochial Schools, Dublin; Cramsie's Endowment, Ballymoney; and the St. Leger Aldworth's Endowment, Newmarket; and we are at present engaged in framing orders to amend the Schemes of the Merchant Tailors' School, Dublin, and of the Incorporated Society for Promoting Protestant Schools in Ireland.

9. Upon our application, under Sec. 7, 34 & 35 Vic., cap. 102, Schemes have been framed by the High Court of Justice for the regulation and management of Sir John and Lady Elisabeth Eccles' Charity, and for Dr. R. Tuohill Reid's Charity; and we have applied to the Chancery Division to frame a Scheme for the administration of Charitable Bequests contained in the wills of Richard and Margaret Jackson.

Upon the application of the Trustees of the Ballynaveigh Methodist Church School, we have framed a Scheme enabling them to apply the purchase-money of the old Ballynaveigh National School towards paying off the debt on the new Ballynaveigh National School, Whitehall Parade, Belfast.

10. An application was made to us to assent to a charge of £300 under the Glebe Loans (Ireland) Acts on Gallen and Cloghan Glebe, in the King's County, for structural improvements in the glebe-house. The premises were vested in us under Sec. 15 of 7 & 8 Vic., cap. 97, and owing to the stringent terms of Sec. 17 of the Act referred to a question arose as to whether we could assent to a charge on property vested in us for loans in such cases. Having fully considered the matter, we were of opinion that we could assent to the charge, and we have accordingly done so.

11. Owing to the decision of the Court of Appeal in *O'Hanlon and Logue*, declaring that a bequest for Masses is a good charitable gift, whether there is a direction that the Masses should be celebrated in public or not, the number of extracts of wills containing charitable bequests furnished to us by the Court of Probate has largely increased, and the work of the office has been correspondingly enlarged.

12. The vacancy on the Board caused by the death of the Very Rev. Edward Canon Quinn, P.P., has been filled by the appointment of the Most Rev. Doctor Nicholas Donnelly, D.D., Bishop of Canea. The death of His Honour Judge Carton has caused another vacancy on the Board, which has not yet been filled up.

13. Our Charity Accounts for the year ended 31st December, 1906, have been duly audited by the Local Government Board Auditor, and declared correct.

14. Accounts of the sum voted by Parliament have been furnished by us, in accordance with the forms adopted under the direction of the Treasury, and the provisions of the "Exchequer and Audit Departments Act, 1866"; and the Appropriation Account for the year ended 31st March, 1906, has been certified to be correct by the Auditor-General of Public Accounts.

All which we submit as our Report, and in testimony thereof we have caused our Corporate Seal to be hereto affixed this 24th day of July, 1907.

Present when seal affixed :
